Subject: Scholarship Application Instructions, Academic Year 2026 -2027

Greetings,

Please read the below instructions and assist any graduating seniors enrolled at your school who are seeking higher educational scholarship funds by completing the R.L. Flanagan Memorial Scholarship Application. The Savannah High School Alumni and Friends Association, Inc. (SHSA&FA) is giving out three (3) \$1000 scholarships. The deadline date to apply for the scholarship funds is April 3, 2026. All requested information, including required documents, must be turned in for the application to be deemed complete. Late or incomplete applications will not be accepted.

The SHSA&FA encourages high academic achievement among hardworking students and provides scholarships based on financial needs as well as academics. Our organization focuses on the whole person concept. Please make copies of the scholarship application, distribute them to college bound students, and encourage them to complete and return their application by US postal mail in a timely manner. Stress the importance of complete packages and the April 3, 2026 deadline date.

Please do not hesitate to make copies of the SHSA&FA Scholarship Applications or go online and print off some scholarship applications at www.shsafa.org. If you have questions or need more information, please feel free to contact Ms. Doris Chatman, Scholarship Committee Chair, at (757) 338-3914 or at dorischatman.dc@gmail.com.

Thank you in advance and all efforts are greatly appreciated.

Sincerely,

James E. Kinsey

James E. Kinsey
President, SHSA&FA
